254 Jurisdiction of referral agencies for applications – generally
255 Concurrence agencies if Minister decides assessment manager
256 Assessment manager or concurrence agency may seek advice or comment about application
257 Stages of IDAS
258 Exclusion of particular provisions about making application for declared master planned area
259 Giving notice using e-IDAS

260 Applying for development approval
261 When application is a properly made application
262 Special provision about electronic applications
263 When owner’s consent is required for application
264 Development involving a State resource
265 Approved material change of use required for particular developments
266 Notice about application that is not a properly made application
267 Notice about properly made application
268 Content of acknowledgement notice
269 When does application stage end

Section Index from Application to Decision Stage of IDAS

270 Purpose of information and referral stage
271 Referral agency responses before application is made
272 Applicant gives material to referral agency
273 Lapsing of application if material not given
274 When application taken not to have lapsed
275 Applicant to advise assessment manager when material given
276 Information request to applicant
277 Extending information request period
278 Applicant responds to any information request
279 Lapsing of application if no response to information request
280 When application taken not to have lapsed
281 Referral agency to advise assessment manager of response
282 Referral agency assesses application
283 Referral agency’s assessment period
284 Extending referral agency’s assessment period
285 When concurrence agency must give response for particular matters
286 Effect if concurrence agency does not give response
287 Concurrence agency’s response powers
288 Limitation on concurrence agency’s power to refuse application
289 Concurrence agency’s response to include reasons for refusal or conditions
290 How a concurrence agency may change its response or give late response
291 When advice agency must give response for particular matters
292 Advice agency’s response powers
293 When does information and referral stage end

294 Purpose of notification stage
295 When notification stage applies
296 When notification stage can start
297 Applicant or assessment manager to give public notice of application
298 Notification period for applications
299 Requirements for particular notices
300 Applicant to give assessment manager notice about particular matters
301 Notice of compliance to be given to assessment manager
302 Application lapses if notification not carried out or notice of compliance not given
303 When application taken not to have lapsed
304 Assessment manager may assess and decide application if some requirements not complied with
305 Making submissions
306 Submissions made during notification period effective for later notification period
307 When does notification stage end

Liability limited by a scheme approved under professional standards legislation.

308 Assessment necessary even if concurrence agency refuses application
309 When does decision stage start
310 Effect on decision stage if action under Native Title Act (Cwlth)
311 References in div 2 to planning instrument, code, law or policy
312 When assessment manager must not assess part of an application
313 Code assessment – generally
314 Impact assessment – generally
315 Code and impact assessment – superseded planning scheme
316 Assessment for s 242 preliminary approvals that affect a local planning instrument
317 Assessment manager may give weight to later planning instrument, code, law or policy
318 Decision making period – generally
319 Decision making period – changed circumstances
320 Applicant may stop decision-making period to make representations
321 Applicant may stop decision-making period to request chief executive’s assistance
322 Decision-making period suspended until approval of master plan
323 Application of s div 2
324 Decision generally
325 Effect of concurrence agency’s response
326 Other decision rules
327 Decision if application under s 242 requires assessment
328 Effect of concurrence agency’s response
329 Other decision rules
330 Application of s div 4
331 Deemed approval of applications
332 Standard conditions for deemed approvals
333 Limitation on giving deemed approval notice
334 Assessment manager to give notice of decision
335 Content of decision notice
336 Material to be given with decision notice
337 Assessment manager to give copy of decision notice to principal submitter
338 Decision notice given by private certifier
339 When approval takes effect
340 When development may start
341 When approval lapses if development not started
342 When approval lapsed if development started but not completed – general
343 When approval lapses if development started but not completed – preliminary approval
344 Application of div 6
345 Conditions must be relevant or reasonable
346 Conditions generally
347 Conditions that cannot be imposed
348 Agreements
349 Covenants not to be inconsistent with development approvals
